

Know Where to ACCESS CARE

Allied Pacific IPA has a large family of organizations.

It is easy for you to access to care when you need it, where you need it.

Primary Care

Contact your PCP when you need care right away and for routine visits.

Your Primary Care Physician (PCP):

Office Phone Number: _____ Office Hours: _____
Office Address: _____

Urgent Care

Your doctor may not always be available. Know your options if you need care right away.

If you need to go to an Urgent Care Center:

- Call before you go.
- Bring your photo ID and health insurance card.
- Bring important medical documentation including medication list and/or any lab test results. This will help the doctor understand your condition.

AFTER your Urgent Care Center visit, always update your PCP's office. Schedule a follow-up appointment when needed.
